- It also plays a key role in enabling global market access, investment linkages, and sectoral collaboration for industries in Tamil Nadu.

Delegation to Germany (15th - 22nd April 2026)

THE SOUTHERN INDIA CHAMBER OF COMMERCE AND INDUSTRY (SICCI)

The Southern India Chamber of Commerce and Industry (SICCI) is a premier regional apex body in the Southern region with a national outlook. SICCI was established in 1909 under the inspiration of Mahatma Gandhi. It is one of the founder members of the Federation of Indian Chambers of Commerce and Industry (FICCI), New Delhi.

SICCI is a reliable facilitator with a network of over 20,000 industry connections and strategic alliances globally. Its mission revolves around excellence in service, defending business interests, ensuring corporate governance, and enhancing the image of private enterprise. The chamber acts as a liaison between businesses and governments, addressing obstacles to growth at the local, national, and global levels.

Through its extensive range of services, SICCI provides valuable information on legal changes, export guidance, and industry-specific insights. SICCI's membership provides access to networking opportunities, industry-specific data, and positions its members at the forefront of growth and innovation in the Indian business landscape. Beyond its domestic impact, SICCI is actively involved in international collaborations, hosting quarterly business delegations. They open doors to unparalleled networking opportunities, allowing members to forge international connections, explore potential partnerships, and gain insights into global markets.
