

**Dear all,**

We are pleased to announce that thanks to our cooperation with **HZwo e. V.**, which has assumed patronage of the **World of HydroGen 2026**, we have prepared a special participation offer exclusively for members and partners.

**The World of HydroGen 2026** will be held on January 13-15, 2026 at the Ptak Warsaw Expo in Nadarzyn. The event is dedicated to leaders in the hydrogen technology and energy transition industry.

As members of HZwo e. V you have the opportunity to take advantage of special conditions, which include an **exhibition booth at a price of 900 euros**.

The offer includes:

- exhibition booth including the development,
- full booth equipment.

In addition, optional branding in accordance with the company's image is available, at a special price of 15 euros/m<sup>2</sup>.

We believe that the presence of your company at the World of HydroGen 2026 will be an excellent opportunity to establish valuable business contacts, exchange knowledge and experience, and present yourself to a wide range of visitors - both from Poland and abroad.

We cordially invite you to co-create this unique event with us!  
Feel free to contact us for more information and to reserve a place.  
If you have any questions, we remain at your disposal.
